

ISMA 9
May 20-22, 2012
Nanjing, China

Welcome to ISMA9

The 9th International Symposium on Modern Acoustics (ISMA9) will be held in Nanjing, China on May 20-22, 2012. The purpose of the ISMA9 is to promote activities in various areas of acoustics by providing a forum for exchange of ideas, presentation of technical achievements and discussion of future directions. It will bring together an international community of experts to discuss the state-of-the-art, new research results, perspectives of future developments, and innovative applications relevant to acoustics. It is a continuation of the Series of International Workshop on Acoustics organized by Institute of Acoustics, Nanjing University. The theme of this symposium is *Modern Acoustics - meeting challenges in modern science and technology*.

Plenary lectures

Prof. Charles C. Church, National Center for Physical Acoustics, USA
Prof. Lawrence A. Crum, Center for Industrial and Medical Ultrasound, USA
Prof. Vitaliy E. Gusev, Maine University, Le Mans, France
Prof. Colin H. Hansen, University of Adelaide, Australia
Prof. Xiaojun Liu, Nanjing University, China
Prof. Suk Wang Yoon, Sungkyunkwan University, Korea
Prof. Xiang Zhang, University of California, USA

Abstract and Publication

Welcome to submit original research abstracts (papers) on all areas of acoustics. Abstract should be 100 to 200 words long, and the details for submission can be found at the website <http://acoustics.nju.edu.cn/isma>.

The proceedings of the symposium will be published on a CD-ROM and distributed at the Symposium to all participants and the selected papers with high quality will be published in ***Scientia Sinica*** or ***Journal of Nanjing University*** after rigorous peer review.

The format of the abstract and paper will be shown on the symposium website <http://acoustics.nju.edu.cn/isma>. The language of the Symposium is English.

Technical Sessions

- ◆ Acoustical signal processing
- ◆ Audio acoustics
- ◆ Biomedical ultrasonics
- ◆ Photo-acoustics
- ◆ Physical acoustics
- ◆ Ultrasonics
- ◆ Underwater acoustics

Important Dates

Abstract Submission:	March 16, 2012
Abstract Acceptance:	March 31, 2012
Paper Submission (Optional):	May 19, 2012
Registration:	May 19, 2012

Organizers

Key Laboratory of Modern Acoustics, MOE, China
Institute of Acoustics, Nanjing University, China
Acoustical Society of China
Acoustical Society of Jiangsu Province, China
Key Laboratory of Underwater Acoustic Signal Processing (Southeast University), MOE, China

Venue

International Conference Hotel of Nanjing

Exhibition

The symposium will invite companies or organizations to display their latest technologies and services in the areas of acoustics and relevant fields during the symposium. For more information, please contact imsa@nju.edu.cn.

Social Programs

The symposium will have a rich and various social programme, which include symposium dinner, local sightseeing and pre- and post-conference tours.
